

Formosa Fortune Group

台灣福昌集團

Participated the competition and show of the Formosan Farmers Association for Swine Improvement (04/15/2011 and 08/21/2011), and got good Achievement.

Thank Mr. Chang Ying-yun for purchasing D1680-03 special selected Duroc boar At the highest price, NT\$ 361,000 dollar.

08/21/2011, 11/38=28.9%
520,000/1,274,000=40.8%

04/15/2011, got three champions for index, body type and the score of feet and legs

Achievement and Glory

			
The sixth president of ROC, Chiang Ching-kuo, visited on 1981,	The 11th president of ROC, Chen Shui-bian, visited on 2006	The 12th president of ROC, Ma Ying-jeou, visited on 2007	Awarded Fukue Prize in swine enterprise on 1987

Independence Auction

Introduced swine performance and body type

Our independence auctions hold at Erlun Township, Yunlin County, Shinhua District, Tainan City and Chaozhou Township, Pingtung County by months.

Using Biotechnology for Breeding

Stock selection by gene is the new direction of swine breeding and improvement. Genetic screening includes ten gene test (HFABP, CAST, CRC, RN, PRLR, RBP4, ESR, MYOG, and MC4R), the technology transferred from *Department of Animal Science*, National Chung Hsing University.

Production of frozen semen : (breeding, preservation)

Sequence analyzer

Spectrophotometer

Elisa Reader

If you want excellent stock swine and boar semen, please feel free to contact us via
Address, Fa Chang Enterprise Co., Ltd., No. 22-39, Dong-Gand Rd., Yi-Lan City, Yi-Lan County 260, Taiwan, R. O. C., E-mail, ffgcom@ms49.hinet.net, Telephone, +886-3-9381131, Fax, +886-3-9385358.

Management ideal: Credibility, quality, Innovation, Services.

Management policy: Excellent breeds, Generation by generation, Good quality genes, Constantly updated.

Management strategy: constantly innovate and improve by biotechnology.

Core objectives: provide good quality, security and healthy pork to consumers and to make maximum benefit for pig enterprise.

Formosa Fortune Group-Fortune Farm

Fortune Farm was established on 1974. In order to pursue sustainable development and reach the world-class standard, Fortune Farm always focus on customers and provides they excellent quality swine stocks and super service by depth R&D activity and accelerate Innovation. Fortune Farm is one of the leading swine farm in Taiwan. Fortune Farm has accomplished outstanding achievements. Our progress can be summarized as following:

1980- The first swine farm which export stock swine to the Southeast Asia.
