

**2013 Bilateral Symposium on Miniature Pigs for Biomedical  
Research in Taiwan and France**

**Taiwan  
Organizing Committee**

|                 |   |
|-----------------|---|
| Ing-Haur Hwang  | <i>Director of Livestock Research Institute, COA</i>  |
| Yu-Shin Cheng   | <i>Deputy Director of Livestock Research Institute,<br/>COA</i>                             |
| Lih-Ren Chen    | <i>Chief of Physiology Division, Livestock Research<br/>Institute, COA</i>                  |
| Ming-Che Wu     | <i>Chief of Breeding and Genetics Division, Livestock<br/>Research Institute, COA</i>       |
| Tian-Fwu Chen   | <i>Researcher of Technical Service Division, Livestock<br/>Research Institute, COA</i>      |
| Jeng-Fang Huang | <i>Director of Yilan Branch, Livestock Research<br/>Institute, COA</i>                      |
| Hsien-Pin Chu   | <i>Manager of Taitung Animal Propagation Station<br/>Livestock Research Institute, COA.</i> |
| Chung-Wen Liao  | <i>Researcher of Nutrition Division, Livestock Research<br/>Institute, COA</i>              |

### **Scientific Commitee**

|                  |   |
|------------------|---|
| Lih-Ren Chen     | <i>Chief of Physiology Division, Livestock Research Institute, COA</i>                                |
| Chia-Chieh Chang | <i>Assistant Researcher of Taitung Animal Propagation Station, Livestock Research Institute, COA.</i> |
| Jenn-Fa Liou     | <i>Associate Researcher of Physiology Division, Livestock Research Institute, COA</i>                 |
| Jenn-Rong Yang   | <i>Assistant Researcher of Physiology Division, Livestock Research Institute, COA</i>                 |
| Ting-Chieh Kang  | <i>Assistant Researcher of Physiology Division, Livestock Research Institute, COA</i>                 |

### **Secretariat**

|                  |   |
|------------------|---|
| Jen-Wen Shiau    | <i>Associate Researcher of Technical Service Division, Livestock Research Institute, COA</i>          |
| Yih-Fwu Lin      | <i>Associate Researcher of Animal Industry Division, Livestock Research Institute, COA</i>            |
| Herng-Fu Lee     | <i>Associate Researcher of Animal Industry Division, Livestock Research Institute, COA</i>            |
| Yu-I Lai         | <i>Assistant Researcher of Technical Service Division, Livestock Research Institute, COA</i>          |
| Ching-Yi Lien    | <i>Assistant Researcher of Technical Service Division, Livestock Research Institute, COA</i>          |
| Shui-Ysai Chen   | <i>Assistant Researcher of Technical Service Division, Livestock Research Institute, COA</i>          |
| Kuo-Duhng Lo     | <i>Assistant Researcher of Technical Service Division, Livestock Research Institute, COA</i>          |
| Hsiu-Lien Lin    | <i>Assistant Researcher of Breeding and Genetics Division of Livestock Research Institute, COA</i>    |
| Min-Hsiung Huang | <i>Assistant Researcher of Taitung Animal Propagation Station, Livestock Research Institute, COA.</i> |

## France

### **Organizing and Scientific Committee**

Charles-Henri Malbert     *Director of Research, INRA – St. Gilles*

David Val-Laillet         *Research Scientist, INRA – St. Gilles*

Catherine Larzul         *Permanent Research Scientist,  
INRA – Jouy-en-Josas*

Marie-Christine  
Meunier-Salaün         *Research Engineer, INRA – St. Gilles*

Christophe Jaeger         *Engineer, INRA – St. Gilles*
