Welcome Message

On August 21~22, 2010, it is our honor to be the host for the conference of the **Minipigs in Biomedical Research** at Medical College of National Cheng Kung University, Tainan, Taiwan. Please check your visa and passport with validity of at least six months upon entry.

- Visitor Visa Application (<http://www.boca.gov.tw/mp.asp>)
- Visa-Exempt Entry (<http://www.boca.gov.tw/ct.asp?xItem=1443&ctNode=536&mp=2>)
- Weather Forecast (<http://www.cwb.gov.tw/eng/index.htm>)
- National Cheng Kung University (<http://english.web.ncku.edu.tw/>)
- Taiwan Animal Germplasm Center (<http://www.angrin.tlri.gov.tw/menue.htm>)

This Meeting is of great interest for the biomedical research sector and gives a great opportunity to participants to share the experience and conceptual view of the pig model which are related to heart disease, medical device, new drugs development, tissue engineering, and organ transplantation of human medicine. The scientific program will feature many distinguished scientific presentations by biomedical researchers with poster presentations for young scientists and students in particular. We will hear and read about many topics, including the following:

- Heart Disease
- Tissue Engineering
- Medical Device
- New Drugs Development
- Organ Transplantation

We all look forward to hosting this event and warmly welcoming you to attend the Conference.

Organizing Committee Members

Dr. Kuen-Jaw Chen (Taiwan Livestock Research Institute) - Chairman
Dr. Lih-Ren Chen (Taiwan Livestock Research Institute)
Dr. Ming-Che Wu (Taiwan Livestock Research Institute)
Prof. Ching-Ho Hsieh (National Cheng Kung University)
Prof. Hsiu-Luan Chang (National Pingtung University of Science and Technology)
Prof. Lynn L.H. Huang (National Cheng Kung University)
Prof. Xi-Zhang Lin (National Cheng Kung University)
Prof. Yan-Nian Jiang (National Taiwan University)
Prof. Yung-Yi Sung (National Taiwan University)

Coordinators

Mr. Hsien-Pin Chu (Taitung Animal Propagation Station, Taitung)
